Saxon barbarians harry Britain from the east. In the North, the Pictish threat looms. From the West, Hibernians send raiders from the land that shall one day be called Ireland. For there are stories of another, more worthy king. One anointed by the old Celtic gods – whom the Christians refer to as the Devil Spawn...

A story about the stories that shape us — and the power they still hold.

Hector Ramirez is a failed writer who gets the opportunity of a lifetime: to help reboot the fantasy book series that defined his childhood. But when he discovers the original author has mysteriously vanished into his fictional world, Hector is pulled into a realm where stories are alive, and some are willing to kill to stay in control.

From acclaimed writer **Frank J. Barbiere** (***Five Ghosts***, ***Violent Love***) and rising-star watercolor artist **Morgan Beem** (*Swamp Thing: Twin Branches*, *You Belong Here*) comes a literary fantasy for fans of *Locke & Key*, *The Magicians*, and ***Saga*** with an oversized 40-page debut issue.

The Author Immortal is a bold new ongoing series about legacy, imagination, and reclaiming the power of storytelling.

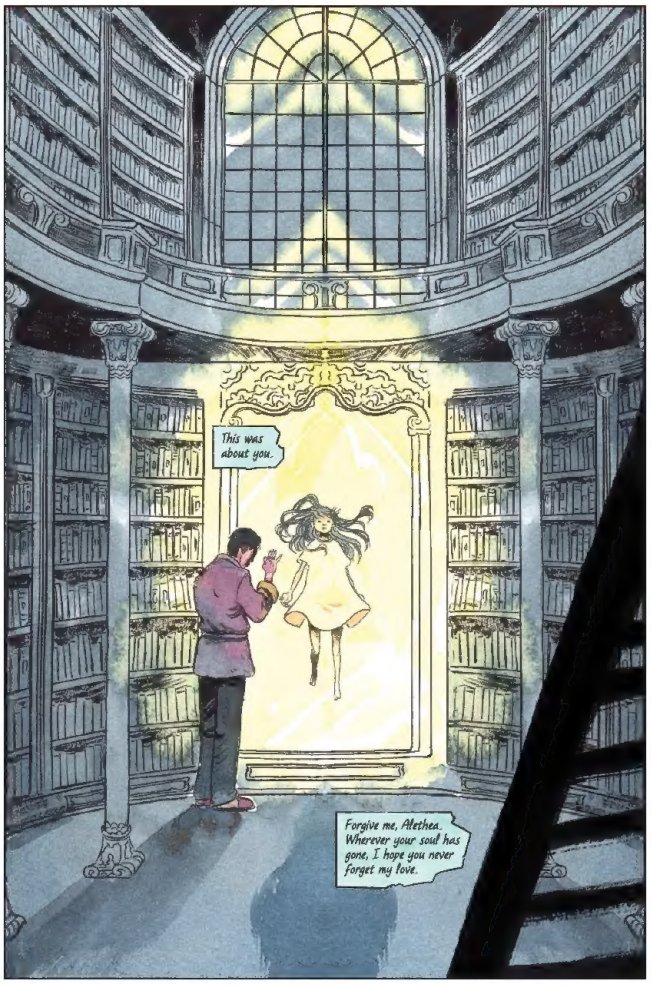
THE AUTHOR IMMORTAL #1

London, 1953.
This will be my final entry.
The inevitable conclusion to my strange, tragic story.
Fitting that I write my own final chapter.
My enemies circle like vultures. I should've been more careful, should've run far, far away and covered my tracks.
I never should've taken the damn money.
One day, I hope you'll come to understand why this all happened.
I know the stories I've left behind will eventually lose their luster.
Like ink on old parchment, I'm dried up.
But this was never about the stories.



And now... fate's cruel pen must be staked.
My most trusted tool. A scalpel for lies.
My oldest friend.
Let them never forget...
...the pen is mightier than the sword.
Farewell, my daughter.
I promise...
...this is not the end.

"ONE MORE CHAPTER, MAMA!"
"OKAY, OKAY, BUT THEN IT'S TIME FOR BED!"
As Alethea clutched the Stone of Truth in her careful hands, she thought of the Great Wizard's words.
"There is no power in this universe greater than Truth."
All the secrets and shadows of the cavern shriveled before her. In that moment, she became a beacon.
She had never believed in her spell-casting ability, but here, now, she saw the honest, fragile shape of things.
In the darkness of this cavern, her hope was the light.
And even the deepest dark could no longer overcome her glow.
"...AND AS THE SHADOWS RETREATED, ALETHEA STOOD VICTORIOUS. A REAL MAGE AT LAST."

The clock is ticking—and it's a bad time to be a Mexican.

ICE CREAM MAN: THE MORTAL COIL SHUFFLE (SPECIAL)

STORY W. MAXWELL PRINCE

ART MARTÍN MORAZZO, CHRIS O'HALLORAN

Ice Cream Man is proud to present an unprecedented comic book EVENT.

Continuing their exploration into just what a comic can BE, the award-nominated team responsible for ***Ice Cream Man***—one of the most enduring comics of the last decade—has pushed the envelope...this time, so far that it might just fall right off the gosh-darn table.

"**The Mortal Coil Shuffle**" is a one-time-only, one-of-a-kind ***Ice Cream Man*** story...told via a **deck of 55 "playing" cards**. And those cards—numbered, sequenced, and packed in a **beautiful custom card box**—tell a comic book yarn unlike *anything* you've read before.

Every card features art by ICM super-duo **Martín Morazzo** and **Chris O'Halloran**... alongside the wring (natch) of **W. Maxwell Prince**. As for the deck...

Some cards tell part of the story; other cards cast "spells" on the characters, reminiscent of a...MAGICAL card game folks have loved for decades; some cards must be joined with other cards to form a complete piece of art—like putting a puzzle together! Not to mention: trick cards, rude intrusions, and "wild cards" that can alter the direction of the story *lickety split, just like that*.

It's a first-of-its-kind comic experiment, and as such will be limited to ONE PRINTING and ONE PRINTING ONLY. And the story told here will also never be collected in trade. The cards will be released, and then...POOF, they'll be gone, like MAGIC. (We suggest reserving one with your LCS far in advance of FOC!)

So get ready, comic fans, to Go Fish, Draw Four, Declare War, and (probably) Fold Your Hand in this exciting comic-book-narrative delivery innovation—anchored, of course, by the creepy, strange voice readers have come to love/hate from ***Ice Cream Man***.

Good luck, and please do be careful: **THE DECK IS STACKED**.

BUG WARS, VOL. 1: LOST IN THE YARD TP

STORY JASON AARON

ART / COVER MAHMUD ASRAR, MATT WILSON

***Honey, I Shrunk The Kids* meets *Conan The Barbarian* in this epic tale of a kid from Alabama suddenly lost in a vicious world beyond his imagining, a world of marauding ant armies, spell-casting spider witches, and beetle-riding barbarians.**

The Old Slaymaker House; Neighbors whisper about it. Children dare each other to step foot in its overgrown lawn. Exterminators refuse to visit and shudder at the thought of what multi-limbed monsters may burrow in its earth. For Slade Slaymaker and his brother Sydney, it's the last remnant of their father, a dedicated entomologist devoured by the very creatures he dedicated his life to understanding. Slade, too young to remember his death, continues his legacy with his own love of all things insect. Sydney, old enough to remember the gruesome scene, despises and seeks to annihilate any bug he sees.

When these two brothers' opposing obsessions clash, Slade finds himself shrunk to the size of his diminutive subjects and thrust into the middle of a brutal Bug War, an earth-shattering struggle that will decide the fate of his family and, perhaps, uncover the secrets behind his father's gruesome demise.
